Step 1: Sign up and Register ATKey

Click "Save ATKey"

Choose "Security Key" and follow the instruction to register ATKey

Name your ATKey

Step 2: Get and Activate License (For Business)

For Business: Get the license from your IT admin and activate on the web console.

Click “Activate Now”

The screenshot shows the Authentrend web console interface. On the left is a dark sidebar with the 'KEY Login' logo and navigation options: Overview, Companioned Devices, Billing Information, and Log Out. The main content area shows the user profile for '@authentrend.com'. Under the 'License Code' section, there is a blue 'Activate Now' button highlighted with a dashed orange border. Below this, the 'Security Key' section shows a registered key with its registration and last login dates.

Input license and
click “Activate”

The dialog box titled 'Enter a License Code' features a text input field for the license code, which is highlighted with a dashed orange border. Below the input field, there is a prompt: 'Don't you have a license code yet? Buy Now'. At the bottom of the dialog, there are two buttons: 'Cancel' and 'Activate'.

Step 2: Get and Activate License (For Individual)

For Individual: You can purchase license directly on web console and enjoy first 7 days for free!

Click “Activate Now”

The screenshot shows the Authentrend web console interface. On the left is a dark sidebar with the 'KEY.Login' logo and navigation options: Overview, Companioned Devices, Billing Information, and Log Out. The main content area shows the user profile for '@authentrend.com'. Under the 'License Code' section, there is a blue 'Activate Now' button highlighted with a dashed orange circle. Below this, the 'Security Key' section shows an 'Add' button and a table with columns for 'Registered at' and 'Last Login at', both showing the date and time '2023-10-25 10:40:45' and '2023-10-25 10:40:51' respectively.

Click “Buy Now”

The screenshot shows a dialog box titled 'Enter a License Code'. It contains a text input field for the license code. Below the input field, there is a question 'Don't you have a license code yet?' followed by a blue 'Buy Now' button highlighted with a dashed orange circle. At the bottom of the dialog, there are two buttons: 'Cancel' and 'Activate'.

Step 2: Get and Activate License (For Individual)

For Individual: You can purchase license directly on web console and enjoy first 7 days for free!
